

SVNP NEWSLETTER, NOVEMBER 2014

INCLUDING MINUTES OF THE NOVEMBER 13, 2014 MEETING

Wayne called the meeting to order by first reminding the group assembled of the upcoming program by Ed McGuirk (December 11, 2014) entitled, "A New England Nature Photographers Year - Four Seasons of Images". This is a program covering Ed's favorite New England nature photography locations and subjects throughout the course of a year. This will include such info as when and where to go, as well as a slideshow of some of his landscape, wildlife and macro images. Wayne repeated his call for programs in January and beyond.

Annual Show at Wayland Public Library

The annual SVNP display at the Wayland Public Library, in the Raytheon Room, was up from November 1 through the 30th. The "Meet the Photographers" reception for the show took place on Sunday, November 9 and garnered a healthy attendance.

Newbury Court Display Space

Betsy again reminded the group that there are several more spaces yet available on the walls of the Community Room, our new 'gallery'. For those who have not yet visited Newbury Court, Wayne has placed two images of a portion of the space up on the SVNP website (click on Upcoming Programs). Members can drop off prints at either the North or the South reception desks at Newbury Court, and Betsy will hang them. Please supply the following information: Your name as you'd like it to appear on the ID card, title of print, dimensions, type of print, price, contact information. Should you have any questions, please get in touch with Betsy (978-369-1261 or bmga@aol.com)

The Evening's Presentation, November 13, 2014

The main presentation, by members Terri Ackerman and Hendrik Broekman, was titled "Two Takes on Turkey" and consisted of two presentations assembled from recent but independent trips to Turkey. Terri presented photos from the site of ancient Troy, Pamukkale, Konya and Kapadokya. Hendrik presented photos from Istanbul and Kapadokya. Both sets of photos from Kapadokya prompted questions and discussion having to do with the truly unique nature of the landscape.

Member Images

At the conclusion of the presentation, five members (Katherine O'Hara, Sue Abrahamson, Terri Ackerman, Raj Das and Anne Umphrey) showed recent images.
